American Hose KarryKrimp Package Special

Parker's portable KarryKrimp unit is capable of crimping Parker one-wire and two-wire hydraulic hoses up to 1 1/4" and weighs only 55 lbs! The KarryKrimp can also be bench-mounted. An Enerpac hand pump and high-pressure connector hose with quick coupler are included, as are crimp dies for crimping Parker's one-wire and two-wire hoses in 1/4", 3/8", 1/2", 3/4", and 1" sizes. Parker's "Parkrimp" system makes building your own hose assemblies easy, with hose and fittings available in virtually every popular size and configuration. Also included are 50 foot lengths of Parker's 301 series two-wire hydraulic hose, in 1/4", 3/8", 1/2" and 3/4" sizes, and Parker 43 series crimp fittings for one- and two-wire Parker hose, in male pipe thread and female JIC configurations.

KarryKrimp complete hose and fitting package includes:
